CISCO | Emerging Talent Recruiting

India Apprentice Program

About the Program

The Cisco Apprenticeship Program provides a development opportunity for college graduates to gain knowledge and exposure to the corporate environment. The program is in line with the National Apprenticeship Training Scheme (NATS) and students can benefit from the training provided (classroom as well as on-the-job) as a part of this fixed term program.

Eligibility Criteria

- Completed B.Com / BBA / BBM / BA / Any 3 years Degree / Diploma by 2024.
- Keen to get exposure to tech industries through non-technical roles access business.
- Available for 12 months of full time training from August 2025 onwards.
- Should have a valid **student enrolment number** from NATS - https://nats.education.gov.in

Why Cisco?

#WeAreCisco, where each person is unique, but we bring our talents to work as a team and make a difference powering an inclusive future for all. We embrace digital, and help our customers implement change in their digital businesses. Some may think we're "old" (36 years strong) and only about hardware, but we're also a software company. And a security company. We even invented an intuitive network that adapts, predicts, learns and protects. No other company can do what we do – you can't put us in a box! But "Digital Transformation" is an empty buzz phrase without a culture that allows for innovation, creativity, and yes, even failure (if you learn from it.)

Day to day, we focus on the give and take. We give our best, give our egos a break, and give of ourselves (because giving back is built into our DNA.) We take accountability, bold steps, and take the difference to heart. Because without diversity of thought and a dedication to equality for all, there is no moving forward

So, you have colorful hair? Don't care. Tattoos? Show off your ink. Like polka dots? That's cool. Pop culture enthusiast? Many of us are. Passion for technology and world-changing? Be you, with us!

Interested in applying to the Cisco Apprenticeship Program?
